W 000	INITIAL COMMENTS A recertification survey was conducted from March 5, 2008 through March 7, 2008 using the fundamental survey process. However due to deficient practices in the Condition of Participation of Active Treatment, the survey was extended to examine this condition. A random sample of three clients was selected from a residential population of five females with mental retardation and other disabilities. The findings of the survey were based on observations at the home and two day programs, interviews with clients and staff, and the review of records, including incident reports.	W 000		
W 120	483.410(d)(3) SERVICES PROVIDED WITH OUTSIDE SOURCES The facility must assure that outside services meet the needs of each client. This STANDARD is not met as evidenced by: Based on observations, interview, and record verification, the facility failed to ensure that outside services met the needs for one of three clients included in the sample. (Client #3) The finding includes: On March 5, 2008 at 6:20 PM, Client #3 was observed eating a chopped dinner. On March 6, 2008 at approximately 12:00 PM, the client was observed during lunch at her day program. The client was observed eating a chopped chicken, whole black beans, greens and a whole dinner roll. Interview with the Qualified Mental Retardation Professional (QMRP) and Registered Nurse on March 6, 2008 at approximately 2:30	W 120	The QMRP will review the client's dietary needs with the appropriate staff at the day program.	2008/3/20/8P 5:14 RECEIVED DEPARTMENT OF HEALTH HEALTH REGULATION ADMINISTRATION 4/30/08

1 000	INITIAL COMMENTS A re-licensure survey was conducted from March 5, 2008 through March 7, 2008 using the fundamental survey process. However due to deficient practices in the Condition of Participation of Active Treatment, the survey was extended to examine this condition. A random sample of three residents was selected from a residential population of five females with mental retardation and other disabilities. The findings of the survey were based on observations at the home and two day programs, interviews with clients and staff, and the review of records, including incident reports.	1 000

I 441	3521.7(k) HABILITATION AND TRAINING The habilitation and training of residents by the GHMRP shall include, when appropriate, but not be limited to, the following areas: (k) Mobility (including ambulation, transportation, mapping and orientation, and use of mobility equipment); This Statute is not met as evidenced by: Based on observation, staff interview and record review, the Group Home for Mentally Retarded Persons (GHMRP) failed to ensure the habilitation of its residents included training in the area of mobility for one of the three residents in the facility. (Resident #2) The finding includes: On March 6, 2007 at 8:15 AM, Resident #1 was observed being transferred from the couch to her wheelchair by a staff. Interview with the House Manager revealed that the staff was newly hired. Review of Resident #1's physical therapy assessment dated May 14, 2007 revealed a recommendation for a two-person transfer for safety. Although the House Manager indicated that she assisted the staff with the transfer, the surveyor could not corroborate the House Manager's account.
